Essential Functions: Essential functions for this position include the following items. Other duties must be performed as assigned or required.

- Perform all job functions according to the mission and values of our organization.
- Process incoming referrals for EBPs.
- Assess health status, risk, and social determinants of health on incoming referrals.
- Focus on coaching, and empowering individuals to take an active role in healthy lifestyles.
- Effectively educate and link individuals to available EBPs and community resources.
- Register individuals into EBPs and assist with completion of forms and surveys.
- Make additional referrals to social care services that may impose limits on adherence and effectiveness of EBPs.
- Monitor individual's enrollment and retention in referred programs and social care services.
- Collect and manage individual's data including pre and post surveys to identify and report individual and community health needs.
- Communicate with other service providers and referral sources to enhance care coordination.
- Be an active advocate for health disparities at the individual and community levels.

Responsibilities:

- Treat all individuals with respect, courtesy, compassion, and with confidentiality.
- Makes self fully available especially when individual is going through a critical period and needs additional help and/or support.
- Communicates information in a manner appropriate for the intended audience.
- Review and maintain a working knowledge of our Handbook with standards of conduct, policies, and procedures to ensure performance that reflects honest,

HUB Navigator Position Description

ethical, and professional behavior.
